

Aging Gracefully

Posted on **December 15, 2012** by **Bella**

So someone forwards me an email with "Then & Now" photos of famous film and television stars. I think whoever created the email wanted to shock readers in how much these stars have changed from being in their prime to being, well, older. But instead of prompting me to think, "Look how old they look!" I thought, "Look how *great* they look!" ([more...](#))
